Re: Teleglobe Communications Corporation, et al. v. BCE Inc., et al.

Gentlemen:

Enclosed please find a supplemental CD containing documents initially withheld on the grounds of privilege on BCE's September 2005 privilege log. The documents on the enclosed CD correspond to the Bates-range BCE-AD 0567032 - BCE-AD 0567921. Please find also enclosed a revised privilege log, which contains a small number of edits to the version delivered to the Special Master yesterday.

We are also submitting in hard copy four documents that should not have been redacted or withheld in the document production made on December 22, 2005. Documents BCE-AD 0551795 - 0551934 and BCE-AD 0551935 - 0551939 should not have been redacted, and we produce them in unredacted form. Document BCE- AD 0567513 - 0567585 should not have been withheld. The last page of document BCE-AD 0555889 - BCE-AD 0555905 should have been redacted, and we produce a revised version of the document.

Please do not hesitate to contact me should you have any questions.

Sincerely,

Jeonge Wade/RT George J. Wade

Re: Teleglobe Communications Corporation, et al. v. BCE Inc., et al.

Dear Special Master Seitz:

Under separate cover later today, the Defendants will be sending by courier to your office (1) an updated privilege log for documents located on the September 2005 privilege log that continue to be withheld for the time period between November 1, 2001 to and including April 23, 2002 (the "Period"), which contains a small number of edits to the version delivered to your office yesterday, (2) for in camera review, the remaining 38 binders of documents from the September 2005 log that continue to be withheld for the Period, and (3) a CD of all of the 45 binders of withheld documents. We have thoroughly reviewed the privilege log in accordance with the standards set forth in your December 1, 2005 decision, and we are producing to the plaintiffs all the documents on the log that should have been produced earlier or should now be produced in accordance with those standards.

Re: Teleglobe Communications Corporation, et al. v. BCE Inc., et al.

Gentlemen:

We became aware on December 21, 2005 that a privileged document was inadvertently included on the document production made on September 10, 2005. Pursuant to Section 10 of the Stipulation and Protective Order, we hereby request that you return to us the document bearing the Bates number BCE-AD 0533172, and destroy any copies of the document. On December 22, 2005, we have produced redacted versions of that document along with other documents initially withheld on BCE's September 2005 privilege log. The entries on the privilege log reflecting those redacted versions are 00568 and 004132. Please return to us the original CD, and destroy any copies of the CD or printouts made from the image bearing the above bates stamp. We are enclosing a substitute CD containing a page in place of this document that states "Intentionally Left Blank" for this document.

We also became aware yesterday that the last page of the document Bates stamped BCE-AD 0555889 - BCE-AD 0555905, which was produced on December 22, 2005, was mistakenly not redacted. We are recalling that document, and we have produced to you a revised version under separate cover.

Please do not hesitate to contact me should you have any questions.

Very truly yours,

Gentlemen:

We have previously produced drafts of BCE's 2001 annual report on the basis that those drafts were shared with BCE's auditors. We have just learned that additional drafts of BCE's 2001 annual report, and drafts of Bell Canada's 2001 annual report, were provided to Deloitte & Touche. Therefore, we produce those drafts and withdraw our claim of privilege with respect to them. Enclosed please find a CD containing documents bearing Bates numbers BCE-AD 0567922 through BCE-AD 0569824. SHEARMAN & STERLING LLP IS A LIMITED LIABILITY PARTNERSHIP ORGANIZED IN THE UNITED STATES UNDER THE LAWS OF THE STATE OF DELAWARE. WHICH LAWS LIMIT THE PERSONAL LIABILITY OF PARTNERS

Redacted versions of certain drafts of BCE's and Bell Canada's annual reports were among the documents produced to you on December 22, 2005. We have just learned that some of those documents were provided to Deloitte & Touche. We are, therefore, producing those drafts. To the extent those drafts include privileged handwritten comments of BCE's counsel which were not provided to Deloitte & Touche, we have redacted those comments, and we are sending you under separate cover a revised CD of that production with corrected redactions.

In addition to the draft annual reports, the enclosed production CD contains certain documents identified in Sara Tumey's letter dated December 29, 2005 as having been incomplete because the images were corrupted. The corruption of those images has been corrected, and those documents are now produced to you in complete form under the Bates-range BCE-AD 0569987 - BCE-AD 0570095.

In reviewing our production of documents on December 22 and 23, 2005, we also became aware that 22 documents marked for production were inadvertently not produced. Those documents are included on the enclosed CD under the Bates-ranges BCE-AD 0569825 - BCE-AD 0569986 and BCE-AD 0570096 - BCE-AD 0570104.

Please do not hesitate to contact me should you have any questions.

Sincerely,

Elizabeth M. Walker

Gentlemen:

In her letter dated December 29, 2005, Ms. Turney indicated that she was unable to open or print the pages Bates-stamped BCE-AD 0553426 - BCE-AD 0553497. We are enclosing a hard copy of this document in unredacted form, as the version that was sent to you on January 8 was inadvertently sent in redacted form.

In addition to the drafts of BCE's 2001 annual report, and drafts of Bell Canada's 2001 annual report that were provided to Deloitte & Touche, which we produced to you on January 8, 2006, we have learned that additional drafts of the following categories of documents were also provided to Deloitte & Touche: additional annual reports, financial statements, quarterly reports, and proxy circulars. Therefore, we produce those drafts and withdraw our claim of privilege with respect to them. To the extent those drafts include privileged handwritten comments of BCE's counsel that were not provided to Deloitte & Touche, we have redacted those comments. Enclosed please find paper documents bearing Bates numbers BCE-AD 0570105 - BCE-AD 0570346 and a CD containing documents bearing Bates numbers BCE-AD 0570347 - BCE-AD 0571235.

We have also enclosed a draft of BCE's annual report, bates stamped BCE-AD 0571166 -BCE-AD 0571235. While this draft has been previously produced to you, the enclosed version was included in BCE's record book, and bears the record book stamps.

Re: Teleglobe Communications Corporation, et al. v. BCE Inc., et al.

Gentlemen:

I write this letter to address the status of eight documents contained on the CDs produced on January 8, 2006. On January 8, 2006, we produced an electronic version of the four documents attached to George Wade's letter to you, dated December 23, 2005. Those documents are Bates stamped as follows:

- (a) BCE-AD 0551795 BCE-AD 0551934
- (b) BCE-AD 0551935 BCE-AD 0551939
- (c) BCE-AD 0550553 BCE-AD 0553497
- (d) BCE-AD 0555889 BCE-AD 0555905

Please be advised that the electronic version of the documents produced on January 8, 2005 replaces the versions previously produced in hard copy and electronically. Please note that document (d) attached in hard copy to Mr. Wade's letter dated December 23, 2005 was incorrectly redacted, and that the correct version of that document is contained in the CDs produced on January 8. Please also note that BCE's document production contained duplicate copies of documents (a), (b), and (c) Bates-stamped as (a) BCE-AD 0567711 - BCE-AD 0567850, (b) BCE-AD 0567851 - BCE-AD 0567855, and (c) BCE-AD 0567513 - BCE-AD 0567585, respectively. The CDs produced on January 8 replace the prior versions of those documents.

Dear Special Master Seitz:

We previously produced to the plaintiffs drafts of BCE's 2001 annual report on the basis that those drafts were shared with BCE's auditors, Deloitte & Touche. We learned in the last few days that additional drafts of BCE's 2001 annual report, Bell Canada's 2001 annual report, and BCE's quarterly reports and proxy statements were, or may have been, provided to Deloitte & Touche although the drafts themselves do not indicate that those documents were sent to the auditors. Those documents correspond to the following entries on the revised September 2005 privilege log submitted on December 23, 2005. We are withdrawing our claim of privilege with respect to those documents, and we have produced those documents to the plaintiffs:

We became aware, following our prior production on December 22, 2005, that we inadvertently neglected to redact the final page of a privileged document, and that another privileged document was produced unredacted. Those documents have now been produced in correctly redacted form and are contained in the enclosed binder under document numbers T364 and U3495.

In addition, following our December 22, 2005 production we became aware that certain documents listed on the revised September 2005 log had been redacted but were inadvertently not produced due to a technical error. Those documents have now been produced in redacted form. They are contained in the enclosed binder under document numbers T179, T271, and U3494. Document 3101, which was among this set of documents, was ultimately produced in its entirety, and we withdraw our privilege claim with respect to that document.

DB01:1960287.1 059825.1001

¹ In the binder, the letter "R" refers to documents in the revised Spring 2004 Log. "S" refers to documents in the revised February 2005 log. "T" and "U" refer to documents in the revised September 2005 log.

Collins J. Seitz, Jr., Esq. January 12, 2006 Page 3

Finally, we became aware that certain documents produced to the plaintiffs on December 22, 2005 contained corrupted images and could not be viewed. We were able to resolve those technical problems, and the documents have been produced. Some of those documents contain redactions, which are set forth in the enclosed binder under document numbers U3446, U3665, U3859 and U4145.

Should you have any questions or require any additional information, we are available at your convenience.

Respectfully,

Pauline K. Morgan

LH INPUT

- Hi, I'm Michael Sabia.
- I want to spend a few minutes with you on how we at BCE think about Teleglobe. Over the past months, a lot has happened at Teleglobe as we all work to place Teleglobe on a more competitive footing. And, as always, change raises questions and can create a sense of uncertainty. I want to address that today.
- Let's start with some plain facts. BCE is a big company -- in Canada. But Canada is a small place.
- Now, we intend to grow in our home market. We have pulled together a collection of premium assets so that we can provide our customer base here at home with content, commerce and connectivity. It is early days for this new strategy. But it is working. Last year, we grew faster than any other company in our space and we're determined to do it again this year.
- This isn't enough. Because Canada is small, it is <u>essential</u> we find opportunities to grow internationally.
- Our e-commerce company -- BCE Emergis -- will help.
- But, obviously, this is the fundamental role and challenge for BCE Teleglobe -- "to help BCE grow internationally". And we're committed to make this happen.

- Yes, these are tough times. The environment that Teleglobe operates in has probably never been more difficult.
- But, you've accomplished a lot so far and you should be proud of it because it hasn't been easy.
- So, where do we go from here. We have three goals for Teleglobe
 - On voice -- the business is performing well. Keep going. In a consolidating market scale matters, therefore we need to grow at a rapid pace. Our voice business is a critical bridge for the future.
 - On data -- we need to get our network running reliably and build momentum with focussed, determined sales and marketing. We need more wins with customers.
 - And finally, if we can do these things and manage our costs with real diligence, we can deliver an absolutely fundamental goal: to have Teleglobe be cash flow breakeven next year.
- None of this will be easy, but we can do it. I am convinced that as markets stabilize and the current storm subsides -- and it will -- that Teleglobe will be very well positioned for a future of growth.

LH INPUT

- 3 -

- At BCE, we are committed to see this through. We are prepared to rally capabilities across the BCE group to continue strengthening Teleglobe.
- So let's drive on, stay focussed, and build a future that we're all going to be proud of.
- You should not divert your focus from the task at hand. Being concerned about whether or not you have our support is not at issue. You have, without question, this support.

Re: Teleglobe Communications Corporation, et al v BCE Inc, et al

Gentlemen:

After completing a review of BCE's privilege logs pursuant to the Supplemental Decision of the Special Master, we undertook a review of the documents on the logs dated prior to November 2001. In connection with this review, please find enclosed a CD containing documents bates stamped BCE-AD 0576294 - BCE-AD 0583417, which were initially withheld on the ground of privilege, and which are now produced in full or in less redacted form. Many of the documents included in this production are virtually identical to documents previously produced. We have also enclosed signed copies of BCE board minutes, bates stamped BCE-AD 0582418 – BCE-AD 0583506. Finally, please find enclosed a chart identifying the custodian for each document on the CD.

These documents are submitted subject to the Responses and Objections of BCE Inc. to Debtors' First Request for Production of Documents Directed to Defendant BCE Inc., served on October 29, 2004 and Defendants Responses and Objections to the Committee's First Request for the Production of Documents, served on February 28, 2005.
